

From the west

Drive into The Square in the town centre, and turn left to take the B3078 signed for Cranborne and Furzehill. After 0.5 miles turn right into Burts Hill.

Continue on this road past the Horns Inn (where it becomes Long Lane) until you reach a T junction, 1.3 miles from the town centre. Turn left and almost immediately right into a continuation of Long Lane. Our house is about 150 yards on the left.

LONG LANE FARMHOUSE LONG LANE WIMBORNE BH21 7AQ

**01202 887829

The house is easy to find, and there is a sign on a tree stump just beyond the entrance.

Please park at the front of the house where there is plenty of room to turn.

From the east

The A31 becomes a single carriageway just before it reaches Wimborne at the unusual Canford Bottom roundabout. Don't go straight on (Wimborne by-pass) but take the slip road onto the roundabout, and then the fifth exit signed for Canford Bottom and Colehill. Continue on this road past the Co-op general stores on the right. The road goes downhill, then around a narrow Z bend to the right. Turn RIGHT into Long Lane, immediately after the Z bend (1.7 miles from the roundabout). Our house is about 150 yards on the left.

Satnav may suggest you leave the A31 before the roundabout – you then approach past the Barley Mow and our house is on the right.

There is a choice of three good pubs nearby which serve evening meals, and a further choice of food in Wimborne. We have the menus for several places and would be happy to phone up to reserve a table for you.
